# ORTHOPEDIC URGENT CARE

When your rec league rebel sustains a painful sprain or a DIY mistake causes a break, there is no time to waste. With TRIA's "save my spot" feature for orthopedic urgent care, you can compare wait times and get in line before you're out the door, helping you get seen faster. When that happens, it feels like we all win. It's why you're treated and how you're treated by TRIA.
